

Hotels for Convention

Friday 9th September to Tuesday morning 12th September

There are many hotel options but none are within walking distance to the conference site at Beth Weizmann in South Caulfield. The weekend of the conference coincides with the 2nd football final game in Melbourne, so don't leave bookings too late.

The following hotels have been vetted and will offer a discount for conference attendees. Ask for it when you book. All three of the hotels below have tram connections to Beth Weizmann (mostly with 2 trams). A Myki card is required for tram travel- we will try to get these for you if you wish, once you have let us know that you have booked.

There are also a limited number of hosts who are happy to billet 1 or 2 conference attendees in their home. Contact Denise for more information on 0402 856 963.
