

B'NAI B'RITH PREVIEW

Recipients and presenters of the 2019 Menorah Awards: Simonne Winecier, Lindy Spicer, Kath Kolb, Barbara Lewis, John Hillel, Rysia Rozen OAM, Greg Blashki & Michael Raleigh (more on pages 10 & 11)

Message from the President: Is our B'nai B'rith Motto Copyright?

I half expected to get a phone call from Bibi Netanyahu shortly before the Eurovision Song Contest to ask politely if he could adapt and use our BBVic motto for their tag line for the Festival. Anyway, he did not ring but went ahead with the slogan 'Dare to Dream' and the tag line: Inclusion, diversity, unity. Sounds familiar? Wise BBVic members would know that our motto is Jewish Unity. Diversity. Continuity. We did not take out copyright on it (damn it), but it is nice to know that the format is modern enough to be used in Israel at a huge international event.

The past month has been extraordinarily busy for most Jewish people around the world. The emotional rollercoaster of Yom Hashoah, then Yom Hazikaron for fallen soldiers, followed by Yom Ha'atzmaut for Israel's 71st birthday, as well as all the preceding Pesach celebrations, left most of us exhausted but very proud. I was impressed by Zionism Victoria's well organised community events. Our own Giora Hoffmann was involved in the Yom Hazikaron commemoration and spoke clearly and with dignity.

In addition to the above activities, our own Units ran their own normal functions. For example, Melbourne Mitzvah Unit ran an informative session on genetic screening. This will be expanded on with Professor Martin Delatycki as the main presenter, alongside Jane Tiller, at the Speakers Forum on Tuesday 4th June on genetic testing. I know from my own clinical work that many patients with cancer are alive today as they have benefited from this type of research and targeted immune therapy. Israel and Australia are both playing leading roles in this vital medical field.

Our Menorah Awards evening on Sunday 5th May was a very successful event. Evelyn Flitman and her committee picked four very worthy recipients (especially our own Barbara Lewis from Unit Akiba). The guest speaker at the event was the well known and delightful Professor Howard Nathan AM QC, whose take-home message from his talk was that, in spite of increasing world problems, we in Australia have good reason to be optimistic and grateful.

In your travels around the neighbourhood, you may have seen our new advertising boards, sponsored by RT Edgar and Gary Peer real estate firms, showcasing our new projects and activities. Our thanks go to these sponsors. I hope that the boards show that we are an active community organisation, deeply involved in making our world a better place. An update on these new projects can be found on page 11.

Also, please check out our new, improved webpage at www.bbvics.org - thanks to Gaby and Frances and our marketing company, Racket, for that.

Finally a reminder that our AGM and elections are on in July and the usual forms and reports are being prepared for this. Maybe I should ring Bibi for some expert election advice as I am standing again as your President.

Free Genetic Testing Can Save Your Life

B'nai B'rith Victoria (BBVic)

Speakers Forum JEWS, GENES & CANCER

Tuesday 4th June | 7:30-9:30pm

Beth Weizmann Community Centre
306 Hawthorn Road, Caulfield South

GENETIC TESTING CAN SAVE A LIFE!

JeneScreen is a research project offering FREE cancer screening (BRCA) to eligible men and women in the Jewish community. Join Jane Tiller and Martin Delatycki at the event to find out more about the benefits of cancer screening (BRCA) and the connection between genes and cancer.

SPEAKER:
MS JANE TILLER
Genetic Counsellor
JeneScreen

SPEAKER:
PROFESSOR
MARTIN DELATYCKI
Medical Director
Victorian Clinical Genetics Services

FREE SESSION (Registration is essential)
Visit tiny.cc/speakersforum or call 9523 0888
to secure your spot.

You will be invited to fill out a questionnaire at the end of the session. BRCA Testing will be available on the day as well as take-home DNA Testing Kits.

Find out more about BRCA testing at
jenescreen.com.au

It's scary to think that you can have or can pass on the BRCA gene. Do you have it?

In Jewish people, the risk of having genetic faults of this type is about 1 in 40, compared with a risk of about 1 in 500 in the general (non-Jewish) population - so Jews have more than 10 times more risk than non-Jewish people of having one of these genetic faults. The good news is that there are preventative measures that can be taken to reduce the risk of developing one of these cancers. Grab the opportunity to find out. It can save your life.

Join B'nai B'rith Victoria and JeneScreen for a **special Speakers Forum on Tuesday 4th June 2019 at 7.30pm**, where you can find out for free whether you or your children are at high risk of breast, ovarian or prostate cancer. Speakers Jane Tiller and Professor Martin Delatycki will explore the benefits of cancer screening (BRCA) and the connection between genes and cancer. You will be invited to fill out a questionnaire at the end of the session. BRCA testing will be available on the day as well as take-home DNA testing kits.

Light refreshments will be served. Registration is essential through tiny.cc/speakersforum or phone B'nai B'rith Victoria for registration or further information on (03) 9523 0888.

OUR EDUCATION PROGRAMS

Look how many students we are reaching so far this year!

Hamilton exhibition: 823 students participated during March.

Shepparton exhibition: Over 1,000 students are booked in so far across 14 schools.

Warragul exhibition: 660 students are booked in so far with another 36 additional schools invited.

2019 incursions: 17 confirmed incursions to schools (10 conducted so far) with a further three incursions scheduled.

Over 6,000 students will see our program this year.

EVENTS

Emergency Medical Information Booklet

This is available from the Office at a cost of \$2.

The Ambulance Service together with Yitzhak Rabin Unit and Rotary have combined to help save precious time which is frequently lost when Paramedics scout a house to establish the patient's current medication. For only \$2 a magnetized booklet filled in, kept up to date and put on the fridge will help save lives.

Can be purchased at the BBVic Office or for more information contact 9523 0888.

Keep up with Current Affairs with BBVic!

On Tuesday 7th May, I held the first Current Affairs class at the B'nai B'rith office at Beth Weizmann. We discussed current topics focusing on Israel, Australia as well as the way the general public perceives events in the media.

The audience engaged themselves in current and up to date social topics. They shared opinions in the interactive forum, and they came to the class to enjoy thought-provoking conversations, to learn from other people and to share their experiences and ideas.

If you would like to 'join in the conversation', the next class is 21st May at 10am-11.30am, followed by a further two sessions on 4th and 21st June. Tickets cost \$10 per session and can be purchased at tiny.cc/bbcurrentaffairs or at the BBVic office.

BBVic Menorah Awards 2019 - recognising volunteers

Four noteworthy achievers in the Victorian Jewish community have been recognised for their exceptional work in the latest annual B'nai B'rith Menorah Awards. The honours, now in their 41st year, pay tribute to volunteers who work quietly behind the scenes making significant contributions to the community.

Greg Blashki was recognised for his contribution to the financial management of various Jewish organisations for over 20 years, most recently in his capacity as Treasurer of Caulfield Shule where he streamlined processes for their data management that assisted the Shule's communication and tailored programs.

John Hillel received his award for his involvement in a number of different voluntary roles, including many years at TBI on the Board, as Shammass, directing Purim spiels and in their Social Justice Group, as well as volunteering at the Brotherhood of St Laurence Op Shop, and establishing and coordinating the St Kilda Repair Café.

Barbara Lewis has been involved in voluntary work since the late 1960s when she was a cub leader for over a decade. Since 1970, she has worked behind the scenes at Etz Chayim Progressive Synagogue, helping with the running of services and editing the weekly newsletter. She has also served on the committee of B'nai B'rith Unit Akiba for a number of years, and helps with the Showcase (formerly Eisteddfod) committee and doing data entry for the Impact for Women packing days.

Lindy Spicer has contributed to many charities and organisations despite dealing with her own health issues over the last 20 years. She volunteers as an ambassador for the Ovarian Cancer Research Organisation, and uses her culinary skills to prepare meals for C Care, Fareshare Food Charity and Our Village Kitchen. She is also active in fundraising for UIA, Cancer Council Victoria and Second Bite.

The 2019 awardees join some 160 who have been recognised by B'nai B'rith Victoria over the years. The keynote address was given by The Hon. Prof. Howard Nathan AM QC, who gave a lively historical overview of the influence of members of the major religious groups in Australia since the arrival of the First Fleet. BBVic invites nominations for next year's awards from all members of the community. Nomination forms can be downloaded from www.bnaibrith.org.au/menorah-awards or picked up from the BBVic office.

NEW PROJECTS UPDATE

As outlined in the document circulated to all members entitled "Our Response to the Sandler Report", BBVic's future direction lies in projects that have an impact and appeal to the wider Jewish community. We are now implementing this report and therefore wish to provide members with a brief update on these new and revised projects which have commenced this year:

- 1. Current Affair Series** with Ron James. These are interactive discussions on news of the week (both local and international). Sessions will continue on a fortnightly basis until Tuesday 18th June and will then be evaluated. The series is currently held in our offices at Beth Weizmann on Tuesday mornings.
- 2. Click and Connect** - this project has been running for three years but has now partnered with BBANZ. Each Wednesday evening, our volunteers go to the King David School and link up via Skype with school children in underprivileged areas in Israel who are keen to practice their English skills. These are exciting and fun sessions for all involved. More volunteers are needed.
- 3. The revived B'nai B'rith Environment Group** has met up a few times and is working on strategies to assist us to reduce and recycle waste. Discussion on climate change is a "hot issue."
- 4. The newly rebranded Showcase** is underway with Andrew Kolb and his committee working hard to provide a totally new format for this musical highlight of the year. It will be held this year at the St Kilda Town Hall on Sunday 15th September at 2:00 pm and will have greater involvement from Jewish schools. Registrations close on Wednesday 19th June.
- 5. The Jewish Youth Art Competition** under Mark Rubinstein's leadership is adding a photography category to the competition and expanding the other media section. Entries close Thursday 6th June. Official opening of the exhibition is on Sunday 4th August at 2:00pm at the Glen Eira Town Hall Gallery. All information can be found on our website - www.bbvic.org
