## CHAG PESACH SAMEACH!

פסח שמח

### Message from the President: The Times They are A Changing

When the American folk singer Bob Dylan launched his iconic song 'The Times They Are A Changing' in the hippie and civil rights era of 1964, he would not have guessed that his words would still resonate with us 57 years later.

I reflected on this song when I attended part of the weekend away in Ballarat with Gesher- Rabin and Akiba members. During the Shabbat synagogue service held at the historic 160 year old building, we learned of some of the colourful characters who started that synagogue for Jewish gold diggers and traders and for the growing surrounding Jewish community. Some of our members had direct close family connections with the synagogue (eg Phil Lipshut and Denise Le Bransky). I was therefore pleased to see on the honour board behind me that B'nai B'rith Victoria was listed as a long time supporter of the synagogue.

It so happened that in 1978, a different B'nai B'rith group spent a weekend in Ballarat. This was the young and dynamic Shalom Unit which later integrated with our Wallenberg Unit. The two photos below capture the change in time, in fashions and in age distribution. The dozens of kids in the Shalom photo would now be in their 50s and 60s.

We can't live in the past, and this is very clear in the discussions held at the monthly Victorian B'nai B'rith Council (VBBC) meeting (which are currently all held via Zoom). Ellana Aarons, our inaugural CEO, is bringing in fresh ideas and introducing us to more rigorous ways of doing business. Outcome measures and key performance indicators are now rolling off our tongues. One area that has held us back for years has been our inability to have many of our community projects recognised by the Tax Department for tax exemption purposes for donors. Apparently, our organisational structure does not currently meet their criteria, even though BBVic is registered as a charity with a different government department. We are going to try again to overcome this hurdle and get expert advice on what we need to do to get the coveted DGR (Deductible Gift Recipient) endorsement.

We are also becoming more open. Most of our regular meetings and social functions now welcome guests from other Units and the wider community. This makes good sense and makes the meetings much more interesting. We saw a good example of this at the recent talk on Israel and the Biden presidency by the articulate and knowledgeable Jeremy Jones.

Pesach is around the corner. Unlike last year, we hope to be able to fully celebrate the seder with our friends and families at home and be grateful that we are free and healthy. Chag sameach.

## Showcase: fostering Jewish musical talent

In February, the Showcase Donate a Cuppa campaign was launched via Preview. I am pleased to say that the wonderful BBVic community has already responded and joined the campaign. We need your support. Please donate to our Donate a Cuppa campaign to see us through these times, more information on the next page.

The Showcase committee has been planning for the 2021 Showcase, our 30th anniversary year. We were encouraged by the response from our 2020 parents and entrants. Please read the following testimonial from a Showcase parent, Ilana Rotblat.

'I am very grateful to Showcase volunteers for organising amazing events, which bring together emerging musical talents in the Jewish community. Showcase gives youngsters a great opportunity to participate in various charity concerts as well as the competition, with potential to win a life-changing scholarship.

I was thrilled when my daughter Miriam received the scholarship award last year, and her little sister Havah won first prize in her section. These awards have stimulated and encouraged them both in their continuing development as dedicated musicians and proud young Jewish women.

In addition to this, I myself also developed wonderful, warm friendships with the parents of other participants in Showcase, friendships which are continuing to grow from year to year' - Ilana.

Your donation will support the Showcase competition's efforts to promote and encourage young Jewish musical talent. This year, we will be having a mixture of video and live performances supplemented by live streaming. Our expenses of running this competition will increase markedly.

To make a donation, please do so by electronic transfer to our Showcase bank account BSB 633 000 Account number 151 591 187 Reference: Your name (or organisation) and also email your details to the Treasurer of Showcase, Louis Koper.

Apart from donating, the BBVic community can also greatly assist Showcase by actively sharing the opportunity by word of mouth, to your children and grandchildren.

Chair of Showcase

**Registrations open at the start of Term 2 (19 April), and  
close at the end of Term 2 (25 June).**

**Information will be available on our webpage

## WE NEED YOUR SUPPORT

### SHOWCASE - DONATE A CUPPA CAMPAIGN

and sponsor a great BBVic initiative that encourages young Jewish musicians

In 2021 we want to sustain and grow our project by raising \$5,000

#### FOR THE PRICE OF A CUP OF COFFEE OR TEA YOU CAN HELP:

- \$5 will pay for:** Printing and mailing a certificate for one entrant
- \$15 will pay for:** The entry fee of a young musician who needs help to enter
- \$50 will pay for:** Expert mentor & adjudication program for one young Jewish musician
- \$75 will pay for:** One scholarship in the Heats 11-15 years, with naming rights (i.e. we can name the scholarship after you)
- \$100 will pay for:** One scholarship in the Heats 15-18 years, with naming rights
- \$125 will pay for:** One scholarship in the Heats 19-25 years with naming rights
- \$300 will pay for:** One scholarship in the Finals, with naming rights
- \$400 will pay for:** One month hire of the online Showcase Channel [bbvic.net](http://bbvic.net), with naming rights/brand opportunity.
- \$500 will pay for:** Running a Heat, with naming rights

Every cuppa counts ... make a one-off donation or donate fortnightly, monthly, quarterly to support young Jewish musicians.

Your support will enhance the Showcase competition's efforts to promote and encourage young Jewish musical talent.

2021 will see a mixture of live performances supplemented by live streaming and recordings – increasing our expenses markedly.

**FIRST REMOTE PROGRAM DELIVERED** Recently, we delivered our first Remote Program to Middle Years students at Gippsland Grammar. Our trained facilitators overcame technical difficulties (at the school end) reaching nearly 100 students.

Our program requires students to be at school under the supervision of their teachers with us using Zoom from our office.

There has been an enormous amount of work getting us ready for this day and for future programs to be delivered remotely. Of course we are keen to return to face-to-face school visits in Term 2.

A huge thank you and congratulations to the team so ably led by Zoi Juvris, Sabrina Chakman and the Education Sub Committee. We even had Zoi's son Jarrah providing much needed training beforehand.

**TEACHER PROFESSIONAL DEVELOPMENT** We are providing teacher professional development workshops to up to 200 teachers involved in the Respectful Relationships teams of their respective schools. We are proud of this exciting opportunity to share our message with teachers and encourage them to invite us to their schools.

**VOLUNTEER MORNING TEA** it was so lovely to gather together over a cup of tea and renew acquaintances with our volunteers. We even met new friends who joined us via Zoom!

Around 50 people attended and, judging by the noise and laughter, had a wonderful time.

We were delighted that Ellana Aarons could join us and share some thoughts on her first few weeks in her important new role. Our next Volunteer Morning Tea will be held on Friday 21st May as part of National Volunteer Week. It's on a Friday because we are so busy earlier in the week delivering our programs in schools! Here's Lisa Lewis, our Volunteer Relationships Coordinator inspiring our volunteers. If you are aware of anyone who may be interested in volunteering, please contact Lisa at [volunteer.coordinator@courageforcare.org.au](mailto:volunteer.coordinator@courageforcare.org.au)

**CEO's SHARING IDEAS** We believe strongly in sharing ideas and like-minded organisations working together for the greater good and have had some important visitors recently.

Firstly, we were pleased to have Ellana Aarons visit and hope this will be the beginning of many productive conversations. We are doing everything to make Ellana feel welcome, including asking her to share thoughts at our Volunteer Morning Tea and wish her every success in this important role.

Also following on from the strong collaboration as part of the Holocaust Education Steering Committee, we were pleased to have Jessica Bram (Jewish Museum), Jayne Josem (Jewish Holocaust Centre) and Itzik Sztokman (UJEB) visit for continued discussions on working together.

**Mike Zervos, CEO**

## B'nai B'rith 26th Jewish Youth Art Competition

Our small organising committee is once again gearing up for this year's 26th annual Jewish Youth Art Competition.

In 2020, we received entries from 189 Jewish students at numerous schools throughout Melbourne, although the number of entries from students outside the main Jewish schools was very low and we're aiming to attract a lot more of them this year.

We're hopeful that we can once again have a live exhibition in the gallery of the Glen Eira Arts Centre. Last year, we had 218 artworks on display in three virtual / online galleries.

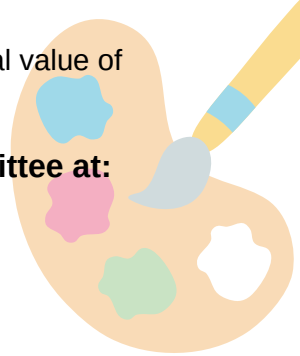

The competition is open to students aged 11 to 18. Categories include painting / drawing, digital art, sculpture, mixed media and photography. If you know anyone who might be interested, please refer them to the art competition page on the BBVic website: **Click [HERE](#)**

**We'll be updating the page progressively with new information over the next few months in the lead-up to the opening ceremony on 25th July 2021.**

Thanks to the generous support of our numerous sponsors, we awarded 37 prizes with a total value of around \$6,000.

**If you'd like more information, you're welcome to contact the organising committee at: [artcomp@bbvic.org.au](mailto:artcomp@bbvic.org.au)**

## B'nai B'rith introduces Livezooming

B'nai B'rith Melbourne Mitzvah members met in person at their March meeting for the first time in a year, having (like everyone else) been affected by the pandemic. The guest speaker was Ian Thompson, an expert medical entomologist, who spoke about mosquitoes, their various species, and the diseases that some of them transmit. The mosquito, he said, is the most deadly animal on earth.

The meeting employed an innovative technique. Members assembled at Beth Weizmann, but the guest speaker appeared via Zoom, his image and the accompanying slide show projected onto a large screen. Other BB members also "attended" via Zoom. The technology was handled expertly by leading BB member Morris Tobias.

BBVic member Paul Gardner coined a new word for the technique: livezooming. He's hoping it will make it into the next edition of the Macquarie Dictionary.
